Doctors Academy Speciality Trainee 3 (Plastic Surgery) Interview Preparation Course - Part 1 of 2

ST3 interviews for Plastic Surgery can be a daunting experience and preparation is the key to success. This half-day course helped candidates to begin their preparation early and work towards improving their application and portfolio. This will ensure that they are placed to rank as highly as possible and aid them to achieve a National Training Number in their first choice Deanery.

This course was situated at the correct time to allow candidates to start working on their portfolio and gain those few extra crucial marks, leaving time for the all-important interview technique practice nearer the interviews. Interview technique and one-on-one practice stations would be covered in Part 2 of the course taking place on 23rd March 2019.
