Doctors Academy General Surgery ST3 Interview Preparation Course

Feedback - February 2024

Doctors Academy General Surgery ST3 Interview Preparation Course

This highly interactive course was intended for those who have been offered a General Surgery ST3 Interview in 2024. It aimed to help candidates to perform well in the interview and to consequently secure a General Surgical National Training Number (NTN).

The course consisted of a series of interactive lectures, as well as a number of small group and individual mock interview stations. Candidates also had the opportunity to gain constructive individual feedback from experienced Consultants and Specialty Registrars who have recently gone through the process of obtaining an NTN.

Individual Comments

Very satisfied.

AS
Royal Oldham Hospital, Oldham, UK

Really helpful faculty and feedback given. Good to do individual stations as well as watch others.

VN
Royal Liverpool University Hospital, UK

Good to have the opportunity to do practice 3 stations, and also hear how others answer their questions. Nice small groups. Good time for feedback on the whole.

AJ
