Essential Clinical Skills for Aspiring Medical Students

Feedback - February 2022

Essential Clinical Skills for Aspiring Medical Students

This one-day course is aimed at A Level students who are considering pursuing a career in Medicine. It will introduce students to a number of clinical skills with which medical students should be familiar, providing them with ample opportunity to gain hands-on experience, as well as appreciate the theoretical concepts behind such skills.

It is hoped that students will be able to discuss the skills practised and conceptualised in their applications to Medical School.

Course Information

| | |
|--------------------|---|
| Venue: | College of Physicians and Surgeons of Cardiff, Cardiff Bay |
| Date: | 17th February 2022 |
| Attendance: | 16 Delegates |
| Aimed at: | A Level students who are considering a career in Medicine |

Overall Feedback

Did the course help you to gain a better understanding of the clinical skills you will encounter as a medical student and as a doctor?

■ Most Certainly ■ Certainly ■ Neutral ■ Probably ■ Not at all

Do you think that you will find the experience useful when you write your personal statement to apply to Medical School and then at the Medical School interviews?

■ Most Certainly ■ Certainly ■ Neutral ■ Probably ■ Not at all

How did you find the suturing session (suturing on animal skin)?

■ Excellent ■ Very Good ■ Good ■ Neutral ■ Fair

How did you find the session in which you washed-out the contaminated wound and removed the abscess with pus?

■ Excellent ■ Very Good ■ Good ■ Neutral ■ Fair

How did you find the simulated laparoscopic surgical skills (keyhole surgery) session?

■ Excellent ■ Very Good ■ Good ■ Neutral ■ Fair

How did you find the surgical diathermy (using electricity to cut and stop bleeding) session?

■ Excellent ■ Very Good ■ Good ■ Neutral ■ Fair

Overall Feedback

How did you find the sessions on medical skills (taking a pulse; using an oximeter; recording blood pressure; using a stethoscope; using a Doppler; using a tendon hammer; drawing blood)?

DOCTORS ACADEMY

BETTER EDUCATION. BETTER HEALTH.

Doctors Academy is a UK-based International Non-Profit Organisation comprising of doctors, dentists and scientists that undertakes a diverse range of educational activities globally. The aim of the Academy is to disseminate information and exchange medical knowledge between professionals from diverse backgrounds working in a variety of healthcare settings. This is achieved by the provision of a number of attendance courses, publishing house, online resources and international events / competitions.

Courses (a selection):

Undergraduate:

- Final Year Medicine and Surgical Revision Courses
- Training the Clinical Anatomy Trainer
- Clinical Anatomy as Applied to Trauma and Emergency Medicine
- Surgical Anatomy of Important Operative Procedures
- Future Surgeons: Key Skills (RCSEd delivered)
- Structured Introduction to Surgical Skills

Postgraduate:

- MRCS Part A
- MRCEM Part A
- MRCS Part B OSCE
- DOHNS: Intensive Revision & OSCE
- Intercollegiate Basic Surgical Skills (RCSEd delivered)
- MRCP PACES Part 2
- FRCS (General Surgery) Exit Exam
- Cadaveric Ultrasound-Guided Musculoskeletal Intervention Course
- Ultrasound-Assisted Botulinum Toxin Injection for Neuromuscular Disorders
- Live Advanced Laparoscopic Colorectal Course

Forthcoming key events:

- International Medical Summer School
- International Academic and Research Conference
- World University Anatomy Challenge

Online Revision Resources

DoctorExams consists of 1000s of questions with detailed explanations in MCQ, EMQ, SBA and SAQ formats. Questions are written by the Doctors Academy group of experienced clinicians and clinical academics, with mock exams and feedback on performance included to aid a candidate's focused revision of topics. Based on past exams, these questions are carefully crafted to suit the requirements of undergraduate students & postgraduate trainees undertaking relevant speciality exams.
