

**Glasgow University Paediatrics
Society's 6th National
Undergraduate Paediatrics Conference**

Feedback - November 2019

Glasgow University Paediatrics Society's 6th National Undergraduate Paediatrics Conference

Glasgow University Paediatrics Society was pleased to announce its 6th National Paediatrics Conference aimed at Medical Students with an interest in Paediatrics.

The conference aimed to explore a variety of sub-specialities within the field of Paediatrics.

The morning session included talks presented by a range of Consultant Paediatricians. These included a Paediatric Physician, a Paediatric Surgeon, a Neonatologist, a GP and a Paediatric Gastroenterologist.

The afternoon session encompassed a series of workshops led by FY2s currently working in the field of Paediatrics. The workshops were as follows:

- o SABL
- o BABY Checks
- o Paediatric CV and Career Guidance.

Overall Teaching Feedback

Workshops - Portfolio Development
(Dr Anne McGettrick)

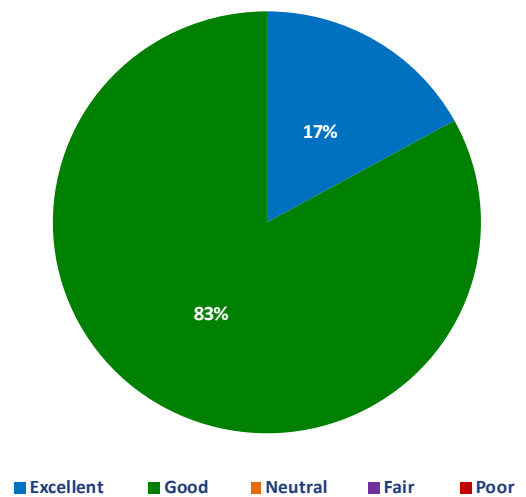

Paediatric Firearm Injuries: A Lifetime Experience - Mr Constantinos Hajivassiliou

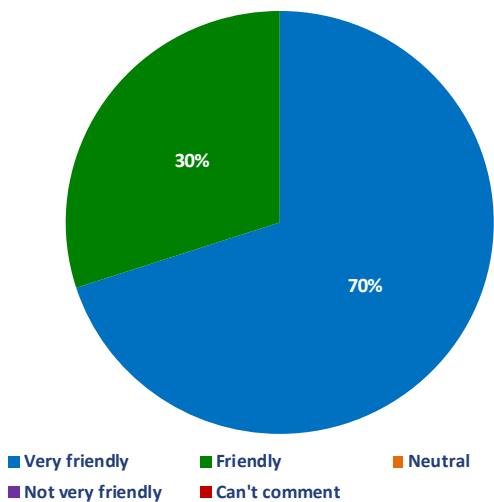

How were the facilities and venue?

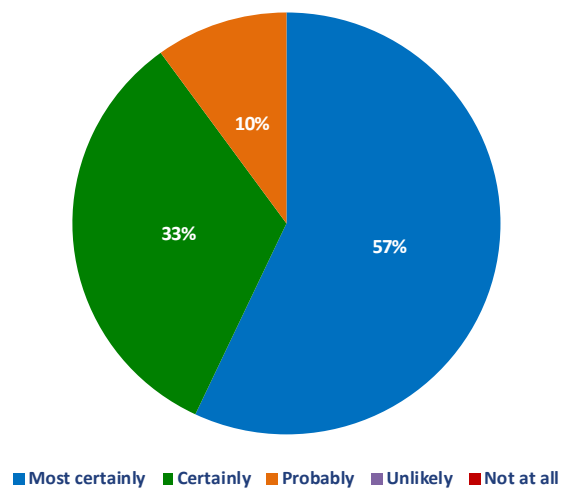

How were the refreshments and lunch?

How was the general friendliness of the faculty and organisers?

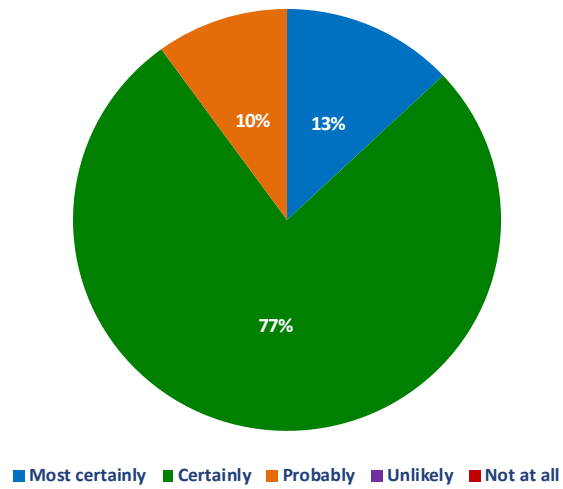

Would you recommend this conference to a friend?

Overall Teaching Feedback

Do you think that this conference provided good value for money?

Individual Comments

Well done.

AC

University of Glasgow School of Medicine, Glasgow, United Kingdom

As a first-year medical student, I am keen to begin career exploration early. As I am interested in Paediatrics, I found this to be a very useful day. The neonatal talk particularly caught my attention as something I would like to explore further.

EW

University of Glasgow School of Medicine, Glasgow, United Kingdom

It was great.

AC

University of Glasgow School of Medicine, Glasgow, United Kingdom

Good.

QY

University of Glasgow School of Medicine, Glasgow, United Kingdom

The conference provided an insight into Paediatrics which I wouldn't have been able to get elsewhere.

RO

University of Glasgow School of Medicine, Glasgow, United Kingdom

Considering that I wish to go into Paediatrics, I thought it was a particularly good conference and was very informative.

JE

University of Glasgow School of Medicine, Glasgow, United Kingdom

The conference was well organised and taught.

JD

University of Glasgow School of Medicine, Glasgow, United Kingdom

It was good. I am a first-year student, so the academic talks were greatly above my level, but the other things were more relevant to me.

KH

University of Glasgow School of Medicine, Glasgow, United Kingdom

The conference was highly enjoyable and informative.

SR

University of Glasgow School of Medicine, Glasgow, United Kingdom

Individual Comments

Good.

HC

University of Glasgow School of Medicine, Glasgow, United Kingdom

A good range of topics were covered with interesting speakers.

CM

University of Glasgow School of Medicine, Glasgow, United Kingdom

Overall, it seemed very organised and relevant whilst being accessible for all stages.

AT

University of Dundee School of Medicine, Dundee, United Kingdom

The conference was well organised and designed. I found the lectures to be informative and valuable. I appreciated the seniority of the speakers and the insight their experience provided.

JA

University of Glasgow School of Medicine, Glasgow, United Kingdom

The conference had a good range of speakers and gave a good insight into the different career pathways within Paediatrics. The portfolio-building workshop was particularly useful to my level. I also thoroughly enjoyed the Paediatric firearms talk as it was such an interesting and unique topic that we had never heard about before.

ES

University of Glasgow School of Medicine, Glasgow, United Kingdom

A good broad spectrum of topics was covered.

AB

University of Glasgow School of Medicine, Glasgow, United Kingdom

It was very good; I learnt a lot and it made me more excited about hopefully pursuing a career in Paediatrics.

ER

University of Glasgow School of Medicine, Glasgow, United Kingdom

The day seemed organised with a good range of speakers. It was relevant to my studies.

JM

University of Glasgow School of Medicine, Glasgow, United Kingdom

The conference was very well aimed at the target demographic with a mix of interesting and useful talks.

RP

University of Glasgow School of Medicine, Glasgow, United Kingdom

Individual Comments

It was really well organised with a nice variety of speakers.

EM

University of Glasgow School of Medicine, Glasgow, United Kingdom

The conference was interesting and very well organised.

TK

University of Glasgow School of Medicine, Glasgow, United Kingdom

It was a really good day with a good variety of topics that helped to expand upon my knowledge base.

JS

University of Glasgow School of Medicine, Glasgow, United Kingdom

DOCTORS ACADEMY

BETTER EDUCATION. BETTER HEALTH.

Doctors Academy is a UK-based International Non-Profit Organisation comprising of doctors, dentists and scientists that undertakes a diverse range of educational activities globally. The aim of the Academy is to disseminate information and exchange medical knowledge between professionals from diverse backgrounds working in a variety of healthcare settings. This is achieved by the provision of a number of attendance courses, publishing house, online resources and international events / competitions.

Courses (a selection):

Undergraduate:

- Final Year Medicine and Surgical Revision Courses
- Training the Clinical Anatomy Trainer
- Clinical Anatomy as Applied to Trauma and Emergency Medicine
- Surgical Anatomy of Important Operative Procedures
- Future Surgeons: Key Skills (RCSEd delivered)
- Structured Introduction to Surgical Skills

Postgraduate:

- MRCS Part A
- MRCEM Part A
- MRCS Part B OSCE
- DOHNS: Intensive Revision & OSCE
- Intercollegiate Basic Surgical Skills (RCSEd delivered)
- MRCP PACES Part 2
- FRCS (General Surgery) Exit Exam
- Cadaveric Ultrasound-Guided Musculoskeletal Intervention Course
- Ultrasound-Assisted Botulinum Toxin Injection for Neuromuscular Disorders
- Live Advanced Laparoscopic Colorectal Course

Forthcoming key events:

- International Medical Summer School
- International Academic and Research Conference
- World University Anatomy Challenge

Online Revision Resources

DoctorExams consists of 1000s of questions with detailed explanations in MCQ, EMQ, SBA and SAQ formats. Questions are written by the Doctors Academy group of experienced clinicians and clinical academics, with mock exams and feedback on performance included to aid a candidate's focused revision of topics. Based on past exams, these questions are carefully crafted to suit the requirements of undergraduate students & postgraduate trainees undertaking relevant speciality exams.
