

From Foundations to Frontiers: A 35-Year International Reunion and CME Summit on Global Clinical Practice, Innovation, and the Future of Healthcare

Friday 16th October – Sunday 18th October, 2026

Clarks Exotica Convention Resort & Spa, Swiss Town, Devanahalli Road Bengaluru, India

REFUND POLICY

We are very much looking forward to bringing everyone together for KMC90. We appreciate that committing to an event of this nature requires planning, travel arrangements, and financial consideration. We also understand that circumstances can change.

At the same time, this is a large residential academic and reunion event that involves significant advance planning and financial commitments. A firm commitment is required by the resort to secure the venue and accommodation exclusively for the group. In order to ensure fairness to all participants and to manage the event responsibly, the following refund structure will apply.

Refund Schedule

Refunds of the Registration and Event Fee will be processed as follows:

- 100% refund – Cancellation on or before 31 March 2026
- 75% refund – Cancellation between 1 April and 30 April 2026
- 50% refund – Cancellation between 1 May and 30 May 2026
- 25% refund – Cancellation between 1 June and 30 June 2026
- No refund – Cancellation after 30 June 2026

All cancellations must be submitted in writing via email to cancellation@doctorsacademy.org.uk.

Why a Tiered Refund Policy?

To secure a venue of this scale and quality, along with accommodation, catering, audio-visual services, CME accreditation, event materials, and professional management support, substantial deposits and contractual commitments must be made well in advance.

In order to obtain favourable group rates and keep the overall fee reasonable for everyone, we must confirm numbers early and commit financially on behalf of the group. As the event approaches, these costs progressively become non-refundable.

The tiered refund structure reflects this reality. It allows full flexibility in the early stages, while gradually recognising that financial commitments increase over time. This approach ensures that late withdrawals do not unintentionally increase costs for fellow participants.

Our intention is not to be restrictive, but to be transparent and fair to all.

Exceptional Mitigating Circumstances

We recognise and fully appreciate that life can be unpredictable, and there may be situations beyond one's control that make attendance impossible.

After 30 June 2026, refunds will certainly be considered in genuinely exceptional circumstances, such as:

- Serious illness
- Hospital admission
- Bereavement of an immediate family member
- A major unforeseen family emergency
- A natural disaster such as flooding of residential areas

Requests in these situations will be reviewed individually and with sensitivity.

We hope this policy provides clarity and reassurance. Our goal is to balance flexibility with responsible planning, so that KMC90 can be delivered smoothly and successfully for everyone attending.

We appreciate your understanding and cooperation and look forward to welcoming you in October 2026.

With kind regards,

Organisers and Classmates
