

A wide-angle photograph of the Cardiff waterfront at dusk. The sky is a deep blue with some light clouds. The water in the foreground is calm, reflecting the lights from the buildings and the sky. On the left, there is a large, modern building with a curved roof. In the center, a prominent red brick building with a clock tower is visible. To the right, there are several modern, multi-story buildings with lit windows. The overall scene is a vibrant cityscape at night.
