

**8th Christie-Doctors Academy FRCS
Exit Exam Revision Course
in General Surgery**

Feedback - July 2016

8th Christie-Doctors Academy FRCS Exit Exam Revision Course in General Surgery

This intensive three-day revision course is designed to help candidates prepare for the Intercollegiate FRCS Examination in General Surgery. Delivered by an experienced group of senior consultants, the course uses a combination of direct vivas, interactive discussions, and patients with signs and symptoms to provide the candidates with a focused revision of pertinent topics.

We are pleased to inform you that the 8th Christie FRCS Exit Revision Course in General Surgery was a resounding success and provided a positive experience for the candidates, patients, teaching faculty and the organisers. All the subspecialties in General Surgery were covered during the three days of the course. In addition to providing key knowledge, this course provided plenty of opportunities for the candidates to practice one-to-one vivas as in the exam. The 8th edition of the course also saw the introduction of a subspecialty viva in addition to the general, academic and basic science vivas as well as the clinical examination. The reprint version of the 1st edition of the book, 'FRCS (Gen Surg): The Road to Success' was also provided to all the delegates to aid their revision.

We would like to sincerely thank all those who taught on the course and provided the delegates with invaluable tips and suggestions. A particular mention must go to our esteemed tutor Mr Pradip Datta MBE who conducted a large proportion of the interactive teaching. This course follows in the footsteps of his highly acclaimed Caithness FRCS course in Wick, Scotland, that he conducted for over 25 years.

All candidates felt that they gained good knowledge from the course and found it useful towards their exam preparation. This is reflected in the feedback they provided that is summarised in this document.

Course Information

Course date: 15th - 17th July 2016

Venue: Christie Hospital
Manchester, UK

Attendance: 24 Delegates

Aimed at:

- Consultants
- Speciality Trainees
- Registrar Level Doctors

(ST5 or above/ST3 or above in General Surgery)

How was the general friendliness of the faculty and organisers?

■ Very friendly ■ Friendly ■ Neutral ■ Not very friendly ■ Can't comment

Would you recommend this course to a friend?

■ Most certainly ■ Certainly ■ Probably ■ Unlikely ■ Not at all

Do you think that this course provided good value for money?

■ Most certainly ■ Certainly ■ Probably ■ Unlikely ■ Not at all

Individual Comments

Generally very good.

RC
Royal United Hospital, Bath

Overall, the course was very well-organized, very useful and relevant to the exam. The course material and presentations were clear and comprehensive.

AM
Cairo University, Kasr Al-Aini Hospital, Egypt

Appreciate the huge efforts in organising the course which was overall well run and taught. Certainly relevant and useful for exam preparation.

JT
Queen Mary Hospital, Hong Kong

Good course.

AE
Leicester General Hospital, Leicester

Dedicated team members and a well organised event.

MS
King Abdul Aziz Medical City, Riyadh, Saudi Arabia

It was a good course.

RA
Royal Oldham Hospital, Oldham

Well organised course with great faculty.

SK
St Mary's Hospital, London

Very good!

DF
Basildon University Hospital, Basildon

Good.

JL
Pinderfields General Hospital, Wakefield

Individual Comments

Very organised and well-structured course.

WS
Airedale General Hospital, Keighley

My overall impression was great. I benefited a lot from the course and it is very relevant to my exam.

VS
North York General Hospital, Toronto

Keeping the time constraints of three days, it was a good course.

TN
Beaumont Hospital, Dublin

Great faculty. Great venue.

ST
University Hospital, Coventry

Perfect. Would highly recommend it.

AO
Maidstone Hospital, Kent

Good value for money and well taught.

RM
Royal Preston Hospital, Preston

Good.

EK
St James's Hospital, Dublin

DOCTORS ACADEMY

BETTER EDUCATION. BETTER HEALTH.

Doctors Academy is a UK-based International Non-Profit Organisation comprising of doctors, dentists and scientists that undertakes a diverse range of educational activities globally. The aim of the Academy is to disseminate information and exchange medical knowledge between professionals from diverse backgrounds working in a variety of healthcare settings. This is achieved by the provision of a number of attendance courses, publishing house, online resources and international events/ competitions.

Courses (a selection):

Undergraduate:

- Final Year Medicine and Surgical Revision Courses
- Training the Clinical Anatomy Trainer
- Clinical Anatomy as Applied to Trauma and Emergency Medicine
- Surgical Anatomy of Important Operative Procedures
- Future Surgeons: Key Skills (RCSEd delivered)
- Structured Introduction to Surgical Skills

Postgraduate:

- MRCS Part A
- MRCEM Part A
- MRCS Part B OSCE
- DOHNS: Intensive Revision & OSCE
- Intercollegiate Basic Surgical Skills (RCSEd delivered)
- MRCP PACES Part 2
- FRCS (General Surgery) Exit Exam
- Cadaveric Ultrasound-Guided Musculoskeletal Intervention Course
- Ultrasound-Assisted Botulinum Toxin Injection for Neuromuscular Disorders
- Live Advanced Laparoscopic Colorectal Course

Forthcoming key events:

- **International Medical Summer School**
Manchester, 31st July to 4th August 2017
- **International Academic and Research Conference**
Manchester, 5th August 2017
- **World University Anatomy Challenge**
Manchester, 4th August 2017

Online Revision Resources

DoctorExams consists of 1000s of questions with detailed explanations in MCQ, EMQ, SBA and SAQ formats. Questions are written by the Doctors Academy group of experienced clinicians and clinical academics, with mock exams and feedback on performance included to aid a candidate's focused revision of topics. Based on past exams, these questions are carefully crafted to suit the requirements of undergraduate students & postgraduate trainees undertaking relevant speciality exams.
