Feedback - June 2025

Future of Healthcare - North West Foundation Forum Annual Conference

The theme of this year's annual North West Foundation Forum conference was 'The Future of Healthcare.' The conference provided delegates with insights into the evolving landscape of medicine and healthcare, including advancements in technology and various career pathways-both within the NHS and further afield.

The event featured interesting and interactive talks and discussions, along with valuable opportunities to network with like minded professionals.

The conference also showcased the work of foundation doctors, highlighting cutting-edge research and quality improvement projects in celebration of their contributions to changing the future of healthcare.

Individual Comments

A great conference for foundation year doctors. I also had the pleasure of presenting an oral presentation - well organised. The organiser answered all of my questions promptly.

Really enjoyable day! Very well organised. Great to meet new colleagues!

LW
Lancashire Teaching Hospitals NHS Foundation Trust, UK

Great organisation and set up. Really friendly organising team.

IE
Wirral University Teaching Hospital NHS Foundation Trust, UK

Very good, it exceeded my expectations.

JD
Royal Oldham Hospital, Oldham, UK

It was a good opportunity to learn and see where the future of medicine is headed.

MZ
Royal Blackburn Hospital, Blackburn, UK

The presentations showed great examples of use of AI in healthcare all the way from helping generate inpatient lists that save up to 2 hours of time, to diagnosing pleural effusion.
