Overall I was very impressed - particularly by the venue!

**MM**  
*University of Edinburgh*

Excellent.

**NF**  
*University of Glasgow*

Excellent.

**TS**  
*University of Edinburgh*

It was very well organised and the speakers were great. Gave a really great insight into orthopaedic and trauma.

**CM**  
*University of Edinburgh*

Had a great day and look forward to the 6th conference next year.

**PM**  
*University of Glasgow*

Presentations were a great chance to get an early indication of the speciality I want to enter and the commitment required to get there.

**ET**  
*University of Edinburgh*

Useful material - gained interest in the area of orthopaedics.

## Individual Comments

Well organised and timed well. Break for lunch was too long.

**MM**  
*St George's University of London*

Very good and helped clarify what would be involved in an orthopaedic career.

**RT**  
*University of Glasgow*

Awesome and inspiring.

**PC**

## Individual Comments

It was really interesting and, although I am only in first year, I could already see how all of it could realtor to my future career as a doctor.

**JG**  
*University of Edinburgh*

Want to go into orthopaedics as a career and this conference was very educational and helpful.

**CC**  
*University of Edinburgh*

Very reasonably priced considering the quality and depth of the sessions. As a first-year medical student, I am not often exposed to orthopaedics, so this conference provided me with a great insight into this fascinating specialty. I would definitely attend it again.
