

Glasgow University Obstetrics and Gynaecology Society Annual Undergraduate Conference

Feedback - April 2022

Glasgow University Obstetrics and Gynaecology Society Annual Undergraduate Conference

Glasgow University Obstetrics and Gynaecology Society were delighted to announce the in-person return of its annual undergraduate conference.

This event included talks from a number of specialists on a wide range of topics within obstetrics and gynaecology, as well as interactive workshops to provide delegates with an opportunity to improve clinical skills.

The conference aimed to provide an opportunity for Medical Students and Foundation Year Doctors to gain more exposure to the specialty and to learn from experts in the field.

Individual Comments

Great conference, will submit publication next year.

WS
University of Glasgow, Glasgow, UK

Really enjoyed the practical events in the afternoon, the examinations were taught to a high standard.

ZM
University of Glasgow, Glasgow, UK

Very relevant, inspiring and helpful clinical skills to be taught by the experts.

SD
University of Glasgow, Glasgow, UK

Great balance of talks covering many different aspects of the specialty and workshops were very useful.

LG
University of Glasgow, Glasgow, UK

DOCTORS ACADEMY

BETTER EDUCATION. BETTER HEALTH.

Doctors Academy is a UK-based International Non-Profit Organisation comprising of doctors, dentists and scientists that undertakes a diverse range of educational activities globally. The aim of the Academy is to disseminate information and exchange medical knowledge between professionals from diverse backgrounds working in a variety of healthcare settings. This is achieved by the provision of a number of attendance courses, publishing house, online resources and international events / competitions.

Online Revision Resources

DoctorExams consists of 1000s of questions with detailed explanations in MCQ, EMQ, SBA and SAQ formats. Questions are written by the Doctors Academy group of experienced clinicians and clinical academics, with mock exams and feedback on performance included to aid a candidate's focused revision of topics. Based on past exams, these questions are carefully crafted to suit the requirements of undergraduate students & postgraduate trainees undertaking relevant speciality exams.
